

CONSENT TO RECEIVE ELECTRONIC DISCLOSURES AND COMMUNICATIONS

This notice and consent form covers all of your accounts, products, and services with Clearview Federal Credit Union ("Clearview").

By agreeing to this notice, you agree that Clearview may provide important information about your accounts, products, and services to you via electronic means instead of on paper. Your consent will also apply to any and all other account owners or authorized parties on your account.

Certain Clearview products and services are provided only on our website or through our app. In order to use these products and services, you must consent to this notice.

Important information that you may receive electronically includes, but is not limited to: periodic account statements, privacy disclosures, change in terms notices, membership information, and other various disclosures and notices as required by law.

Electronic communications will be sent to the primary email address you provide to Clearview. It is your responsibility to maintain a valid email address to receive electronic communications.

If the email you provide to Clearview is invalid, or if electronic communications are undeliverable to the email address you provide, we will resume paper delivery of these communications, which may result in a fee. Please see the [Truth in Savings Disclosure and Fee Schedule](#) for more information.

In order to consent to receive electronic communications, you must acknowledge the following:

1. You have access to a web-enabled device with internet access and an updated internet browser.
2. You are enrolled in and able to access Clearview's online banking or mobile app.
3. You have the required software to allow you to view .pdf formatted files.

All communications from Clearview delivered to you in electronic format will be considered "in writing."

You should print or download a copy of these important documents for your records.

Clearview may, at its discretion, or if required by law, provide you with any communication in paper form, even if you have chosen to receive it electronically.

You may update your email address by logging into digital banking at clearviewfcu.org, starting a video chat with Clearview Live®, calling the Care Center at 1-800-926-0003, or stopping by a financial center.

You may withdraw this consent at any time by calling us at 1-800-926-0003 or emailing support@clearviewfcu.org.
