

eStatement Disclosure

eStatements is an electronic service, whereby you view your regular account statements electronically via Online Banking. Once enrolled in eStatements, you will no longer receive a paper statement through the US Mail. You will receive a monthly alert email to notify you that that your account statement is available to view in Online Banking. If you wish to revert back to receiving a paper statement through the US Mail and no longer wish to receive eStatements, please contact Clearview by calling 1-800-926-0003 or e-mail support@clearviewfcu.org.
