Absolute Checking®	0.050 % 0.05 %	Monthly	Monthly	Monthly (calendar)	\$0.00	See Section 5	See Section 5	Average Daily Balance				

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are savings and checking accounts.

- Rate Information.** The Annual Percentage Yield (APY) is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Clearview Savings, Christmas Club, Vacation Club, IRA Savings, Member's Choice, Start Savings, and Next Step Savings accounts, the Dividend Rate and APY may change quarterly as determined by the Credit Union's Board of Directors. For Clearview Money Market, Relationship Money Market, and Absolute Checking accounts, the Dividend Rate and APY may change monthly as determined by the Credit Union's Board of Directors. For Clearview Savings, Christmas Club, Vacation Club, IRA Savings and Member's Choice accounts, the Dividend Rates and APYs are the rates and yields as of the last dividend declaration date which is set forth in the Rate Schedule. For Clearview Money Market, Relationship Money Market, and Absolute Checking®, the Dividend Rates and APYs are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. The Clearview Money Market account is a tiered rate account. The balance ranges and corresponding dividend rates and APYs applicable to each tier are disclosed in the Rate Schedule. Once a particular range is met, the Dividend Rate and APY for that balance range will apply to the full balance of your account. Start Savings, Next Step Savings and Relationship Money Market are tiered rate accounts. The balance ranges and corresponding dividend rates and APYs applicable to each tier are disclosed in the Rate Schedule. Each dividend rate will apply only to that portion of the account balance within each balance range.
- Nature of Dividends.** Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.
- Dividend Compounding and Crediting.** The compounding and crediting of dividends and dividend period applicable to each account are set forth in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.
- Accrual of Dividends.** For Clearview Savings, Christmas Club, Vacation Club, IRA Savings, Member's Choice, Start Savings, Next Step Savings, Clearview Money Market, Relationship Money Market, and Absolute Checking accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Clearview Savings, Christmas Club,

Vacation Club, IRA Savings, Member's Choice, Start Savings, Next Step Savings, Clearview Money Market, Relationship Money Market, and Absolute Checking accounts, if you close your account before accrued dividends are credited, accrued dividends will not be paid. Clearview Money Market dividends will be paid monthly when an average daily balance (ADB) of \$1,000.00 is maintained. Additional criteria to earn stated dividend on the Relationship Money Market: have an active Absolute Checking account, AND one of the following: have more than \$5,000 in qualifying direct deposits per month to your Absolute Checking account; OR make eight qualifying Point of Sale, PIN, or Signature based Clearview debit card transactions per month from your Absolute Checking account; OR make eight qualifying Clearview credit card transactions during the cycle date that ends during the month. If these qualifications are not met, the dividends on the Relationship Money Market will be paid at the Clearview Money Market rates.

5. Balance Information. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Absolute Checking accounts, you must maintain an Average Daily Balance (ADB) of \$10,000.00 in combined deposit balances OR \$20,000.00 in combined deposit and loan balances OR direct deposits totaling \$5,000.00 or more during the calendar month to avoid a service fee. All deposit and loan accounts must be based on the same member number. For Clearview Money Market accounts, you must maintain an Average Daily Balance (ADB) of \$1,000.00 to avoid a service fee. For Relationship Money Market accounts, you must maintain an Average Daily Balance (ADB) of \$5,000.00 or \$20,000.00 or more in combined deposit balances to avoid a service fee. If one of the minimum balance requirements is not met for these accounts, we will impose a service fee as disclosed in the Fee Schedule. For Clearview Savings, Christmas Club, Vacation Club, IRA Savings, Member's Choice, Start Savings, Next Step Savings, Clearview Money Market, and Relationship Money Market accounts, there is a minimum ADB required to obtain the Annual Percentage Yield (APY) for the dividend period. If the minimum ADB is not met, you will not earn the stated APY. For all accounts using an Average Daily Balance method, dividends are calculated by applying a periodic rate to the ADB in the account for the period. The ADB is determined by adding the full amount of principal in the account for each day of the period and dividing that figure by the number of days in the period.

6. Fees for Overdrawing Accounts. Fees for overdrawing your account may be imposed on each draft, item, ATM transaction and one-time debit card transaction (if member has consented to our Extended Courtesy Pay plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. Please consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Whether or not we pay or return a Non-Sufficient Funds item, a per presentment fee will be charged to your account as a Non-Sufficient Fund or Courtesy Pay charge, as set forth in our Truth-in-Savings Disclosure and Fee Schedule as permitted by law. If we have approved an overdraft limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's Extended Courtesy Pay plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit

Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Fee Schedule.

7. Rates. The rates and fees provided in or with the Rate Schedule are accurate and effective for the accounts as of the effective date indicated on this Truth-in-Savings Disclosure. The rates and fees are subject to change. If you have any questions or require current rate and fee information on your current accounts, please contact us at 1-800-926-0003.
