Clearview awards \$1000 to deserving student

Clearview FCU teams with Credit Union Student Choice to help offset tuition for scholarship winner

Pittsburgh, PA, June 3, 2019... (clearviewfcu.org) Clearview Federal Credit Union, a member-based credit union serving 10 Southwestern Pennsylvania counties and a leader in community banking, recently awarded a \$1,000 scholarship to Bel Air (Maryland) High School graduating senior Reilly Banton. The scholarship was awarded based on academic performance, community service, and personal essays about Reilly's goals and why she is a member of Clearview Federal Credit Union.

Reilly will be attending Towson University where she plans to major in Nursing. Reilly is extremely proud and thankful to the team at Clearview Federal Credit Union and Credit Union Student Choice, the credit union's education finance partner, for selecting her for this award and the difference it will make in her life. "I plan to make a difference in people's lives through being a nurse and cannot wait for what is yet to come for my future," Reilly said. This scholarship will help Reilly to offset the cost of attendance.

Clearview offers a variety of education finance options and corresponding financial advice to help students and families responsibly manage the increasing cost of higher education, including **student choice private loan programs, student credit cards, and student debt refinancing options.**
